SKILLS

I am proficient in written and verbal English and can also speak two dialects – Tagalog and Bisaya. I am familiar with various programming languages and can proficiently use MS Word, PowerPoint, and Excel. I am approachable and am willing to learn and subject myself to training for the betterment of my knowledge and skills. I have experienced being put in leadership roles and am able to be an effective leader.

HOBBIES

During my free time, I like to play video games, play the guitar, go to the gym, and study the Word of God
