

JEIROD ABOGADO

WEB DEVELOPER

WORK EXPERIENCE

GoldRidge Web Design Studio

Makati - Philippines

July 16, 2018 – December 21, 2018

My work in the company is to maintain and update the current Online Casino Games app. The application can be used on web and mobile platforms.

Denso Ten Solutions Philippines Corporation

Ortigas - Philippines

August 1, 2019 – November 15, 2019

My task was to preserve the precise functions of the code to be embedded in the system, which will be utilized in automotive vehicles.

Immunoboosters Co.

Makati - Philippines

December 9, 2019 – March 11, 2020

My task was to maintain the clinic's website, provide the clinic's design ads, and provide technical assistance within the clinic premises.

RumbleTalk LTD

Tel Aviv - Israel

January 25, 2021 - PRESENT

My job was to maintain and update our company's website. I also take the responsibility to secure the SEO of our website to cater to more customers. The SEO is used to maintain our spot on Google once you search for it. Since our product is an online chat, I'm also tasked with maintaining each plugin for each CMS (Content Management System) like WordPress, Joomla, Moodle, and Drupal.
