Basketball • Swimming • Cooking

ADDRESS:

28 Cowper street

Granville 2142 NSW

IME DIGITAL SOLUTION LIMITED | ANDROID DEVELOPER

October 2021 - March 2023 | Kathmandu, Nepal

- Worked on core features of imepay wallet and agent app with debugging and issue fixing on a daily basis.
- Implemented fast loan feature in Agent app in partnership with Global IME Bank.
- Integrated multiple features in app namely flight booking, internet payment, insurance, and so on.
- started building imepay app with flutter framework, with the clean architecture approach using bloc pattern.

FACE PREP | TECH MENTOR

June 2021 - September 2021 | Coimbatore, Chennai, India

- Got placement offer at FACE PREP, which is one of India's leading online platforms for job preparation.
- My key responsibility was to design as well as teach Data Structures and Algorithms(C++) course for the students.

APSSDC | ANDROID DEVELOPMENT INTERN

June 2020 - July 2020 | Andhra Pradesh, India

- Worked on different aspects of android by integrating features such as API calls, Google maps, Work manager, graphs, databases, Notifications, etc.
- Starting from basic UI design, I was able to perform CRUD operation using firebase real-time database as well as SQLITE database at the end.

PROJECTS

IME PAY - MOBILE DIGITAL WALLET | APP LINK: [click here](#)

- IME Pay is now a leading payment gateway in Nepal and advanced digital wallet that helps transfer money from wallet to wallet.

BUDGET PLANNER | PROJECT LINK: [click here](#)

- An android application to manage your income and expenses like a pro.
- App supports important features such as currency conversion and reminders.

CLEAN ARCHITECTURE MOVIE APP | APP LINK: [click here](#)

- Cross Platform mobile app using flutter
- Clean architecture with bloc pattern was implemented, data being retrived from TMDB API
- Feature includes localization, and local database with hive.
